Youth Transition to Adult Health Care

Saturday, November 8, 2008
10:00 am - Noon

American Family Children's Hospital
Madison, Wisconsin

Come and talk with other youth and staff from the American Family Children's Hospital, the Waisman Center, Kids As Self Advocates, Family Voices of Wisconsin, and the University of Wisconsin Pediatric Pulmonary Center to learn more about transition to adult health care. You will have an opportunity to think more about how you want to be involved in your health care.

Topics will include:

- What you need to do when you are sick
- How to set up an appointment and talk with your doctor
- Know and order your own medications
- Decision-making at age 18

Teens are welcome to invite a friend or sibling to attend the youth session with them.

**A separate presentation is scheduled
at the same time just for parents
and caregivers.**

RSVP Today

Please RSVP by calling (608) 265-8955 or by sending an e-mail to myhre@waisman.wisc.edu by Monday, November 3. Parking and other information will be sent to those who register to attend.

Please let us know your name, address, telephone number, e-mail address, and the clinic you attend at the American Family Children's Hospital. Also, please let us know if you need accommodations such as an interpreter or braille.
