**Wisconsin Care Integration Initiative Coordinator – PVL 87928**

**Education:** A Bachelor's degree is required, preferably in Public Health, Child Development, Psychology or a related field. A Master's degree in Public Health, Child Development, Psychology or related field is highly preferred.

**Appointment Percentage:** 40% - 60%

**Full Time Salary Rate:** minimum $36,790 annual – depending on qualifications.

**Number of Positions:** 1

**Minimum Number of years or type of relevant work experience:**

Well-qualified applicants will have the following preferred experience:

- Experience managing sponsored projects and budgets.
- Experience collaborating with community agencies.
- Experience with program evaluation or quality improvement.
- Ability to self-motivate, possess excellent organizational, analytical, oral and written communication and leadership skills.
- Proficiency with Microsoft Office (Excel, Word, PowerPoint).
- Experience with community education.

**Job Summary:**

This position will be within the Public Policy and Systems Change work unit, University Center for Excellence in Developmental Disabilities (UCEDD). The Wisconsin Care Integration Initiative (WICII) project aims to increase family-centered, integrated systems of care for children with autism spectrum disorders and other developmental disabilities (ASD/DD). WICII will demonstrate innovative strategies to address goals of the existing Wisconsin Act Early State Plan to enhance screening, referral for diagnostic and early intervention services, and timely enrollment in treatment services for children with ASD/DD, with a particular focus on building community-based capacity in urban and rural communities.

This position serves as the initial point of contact for community and national partners and will work alongside co-Principal Investigators (PI's) to implement community quality improvement activities through trainings, orientations and providing technical assistance. This position is responsible for coordinating community engagement and project work plans.
