**Education:** Master’s Degree in Physical Therapy, Therapeutic or Rehabilitation Sciences or Doctor of Physical Therapy (DPT) is required. Advanced training in research and related PhD degree preferred.

**Appointment Percentage:** 50% – 80%

**Full Time Salary Rate:** minimum $45,575 annual – depending on qualifications.

**Number of Positions:** 1

**Minimum Number of years or type of relevant work experience:**

A minimum of 3 years' experience in providing pediatric physical therapy services for infants and young children with developmental disabilities is required. Experience working in an academic setting is helpful, preferably with supervision of physical therapy students.

**Job Summary:**

The Physical Therapist is a staff member of the Developmental Disabilities (DD) Clinical Services work unit, University Center for Excellence in Developmental Disabilities at the Waisman Center. As part of the DD clinical services work unit, the physical therapist will provide evaluation and treatment services to patients and clients in specialty clinics: Down Syndrome, Newborn Follow-up, and other clinics serving children with developmental disabilities.

This position is also expected to serve as the Physical Therapy Training Coordinator for the Wisconsin Maternal and Child Health Leadership Education in Neurodevelopmental Disabilities Program (WI LEND) in providing mentorship and coordinating clinical educational experiences for students within the Physical Therapy program.

For a complete list of duties and qualifications, please see:

We offer an excellent benefits package as well as a competitive salary based on qualifications.
