

Clinical Social Worker – PVL 91365

Education: Masters' degree in Social Work is required.

Appointment Percentage: 40% to 100%

Full Time Salary Rate: minimum \$45,000 annually – depending on qualifications.

Number of Positions: 1

License/Certification Needed: Must be a Certified Advanced Practice Social Worker (CAPSW), and licensed or eligible for licensure in State of Wisconsin as Clinical Social Worker.

Anticipated Start Date: September 1, 2017

Minimum Number of years or type of relevant work experience:

- A minimum of 3 years' experience serving children with developmental disabilities and/or special health care needs and their families is required. 7 years of related professional work experience is required for appointment at the Senior level.

Well-qualified applicants will have the following preferred experience:

- Prior experience working in an academic setting, preferably with prior supervision of social work students.
- Prior experience working in a clinical setting preferred.
- Familiarity with the developmental disabilities service delivery system is strongly preferred.

Job Summary:

The Clinical Social Worker is a staff member of the Waisman Center, Developmental Disabilities and Genetics Clinical Services, University Center for Excellence in Developmental Disabilities (UCEDD) work unit.

This position is expected to apply specialized knowledge in providing social work and intake services for individuals and families. As part of the Developmental Disabilities and Genetics Clinical Services unit, the clinical social worker will provide family navigation services and training of students primarily within the Developmental Disabilities (DD) clinical program, which includes the Autism and Developmental Disabilities clinic.
