Participate in a research study:

Who?
We are recruiting 8 to 11 year olds with:

- a diagnosed autism spectrum disorder (e.g., Autism, PDD-NOS, Asperger's)
  OR
- a language delay (without other developmental concerns)

What?
Participation in our study about thinking and language skills involves several visits to the Waisman Center to complete computer and book activities. Families will be compensated for their participation.

Where?
All visits will take place at the Waisman Center, 1500 Highland Ave., Madison, WI.

For more information, or to find out if your child is eligible, contact the Language Processes Lab:

608-263-3123

This study is being conducted by principal investigators Dr. Susan Ellis Weismer and Dr. Margarita Kaushanskaya and has been approved by the institutional review board at UW-Madison.
