ONE APPLICATION, ONE ONLINE PAYMENT

UW-Madison’s campus child care system offers high quality early education and care on or near campus for children 6 weeks through 12 years.

Beginning February 1, 2014, you can apply easily and on line by completing a web based application that allows: a choice of one or many programs, the ability to pay the application fee online, and a personal account to update your family information and needs as you see fit.

We recommend that you visit http://occf.wisc.edu/child_care.htm to learn about program options and visit program websites to determine which programs best fit your family’s needs. You may contact the center director(s) to answer questions and/or set up a tour. You may also contact our office for referral assistance.

You can easily initiate an application at any time by visiting http://occf.wisc.edu/child_care.htm. Click on the “Apply Now” button.

Helpful tips:
