11th Annual Care in the Community Conference
Mental Health: *The Journey is one day at a time*

Thursday October 2nd, 2014
Radisson Hotel, Wauwatosa, WI

Conference Overview
A conference for families and providers who work with children and youth with special health care needs.

Topics will include:
- Genetics: How they impact behavior
- Panel of mental health experts
- Sibling support
- Recreation

Keynote speaker:
Brian Fidlin, PSY.D is a clinical psychologist and nationally recognized speaker on pediatric brain development. He has been serving children, adolescents, and their families for the past 17 years. Dr. Fidlin has a unique and entertaining way of presenting complex material in a way that is practical and understandable.
