March 2024

Dear Friend:

Each summer, the Friends of the Waisman Center hosts an annual golf benefit. This important fundraiser provides support for a broad range of projects and activities that benefit individuals and families living with developmental disabilities, such as autism and Down syndrome, and neurodegenerative diseases, such as Alzheimer's and Parkinson's disease.

**Spend the day with Friends FORE a good cause!** Join us on **Monday, August 5 at Maple Bluff Country Club** for a great day of golf to benefit the Waisman Center. Lunch is available at 11:00 a.m. with a noon start to golf. The afternoon ends with dinner and brief awards to round out the evening by 6:00 p.m

**Together FORE Waisman!** Everyone knows someone touched by an intellectual and developmental disability or a neurodegenerative disease. Enjoy an afternoon doing something you love to benefit this special community. Your partnership is integral to our success and has helped the Friends raise close to \$800,000 since 1992. The proceeds from this signature event help fund a broad range of Waisman clinical services, training, outreach, and research programs. There are many sponsorship opportunities, both on and off the course, which are detailed on the enclosed registration form.

Help us fill the tee sheet so that we know that we are maximizing the benefit to individuals with disabilities and their families. Help spread the word so we can increase the work of the Waisman Center in our community.

*We hope you will partner with us in transforming lives and building brighter futures!*

Best regards,

Jim Dama, Exact Sciences  
Chair, Friends of the Waisman Center Golf Committee

**GOLF COMMITTEE:** Linda Berman, Drew Cheers, Kendall Harrison, Scott Hoselton, Scott Kornstedt, Gary Kuter, and Dan McGown,

# Friends of the Waisman Center 2024 GOLF BENEFIT

**MONDAY, AUGUST 5, 2024 | Maple Bluff Country Club**

Proceeds benefit Waisman Center research, training, service, and outreach programs. The Waisman Center is dedicated to the advancement of knowledge about human development, developmental disabilities and neurodegenerative diseases.
