March 2025

Dear Friend,

Each summer, the Friends of the Waisman Center hosts an annual golf benefit. This vital fundraiser supports a wide range of projects and activities that benefit individuals and families living with developmental disabilities, such as autism and Down syndrome, and neurodegenerative diseases, such as Alzheimer's disease.

Spend the day with the Friends FORE a good cause!

Join us on **Monday, August 4**, at **Maple Bluff Country Club** for a fantastic day of golf to benefit the Waisman Center. Lunch will be available at **11:00 a.m.**, followed by a noon shotgun start. The afternoon will conclude with dinner and brief awards, wrapping up the evening by **6:00 p.m.**

Everyone knows someone touched by an intellectual and developmental disability or a neurodegenerative disease. Enjoy an afternoon doing something you love while benefiting this special community.

The proceeds from this signature event help fund a broad range of Waisman clinical services, training, outreach, and research programs. There are many sponsorship opportunities, both on and off the course, detailed on the enclosed registration form.

Help us fill the tee sheet to maximize the benefit to individuals with disabilities and their families. Spread the word so we can enhance the work of the Waisman Center in our community.

*We hope you will partner with us in transforming lives and building brighter futures!*

Best regards,

Jim Dama  
Chair, Friends of the Waisman Center Golf Committee
